When to Take Charge

Conduct On and Off the Field

And much more...

Our classroom sessions will be filled with a lot of information. Please come prepared to take notes. For our field sessions, come dressed as an umpire. Be sure to bring at least your facemask, but having all of your equipment there is preferred. If you are new and do not yet have umpire attire, it's not a problem. Dress comfortably.

Our instructors have decades of umpiring experience at every level of amateur and professional baseball and have the hearts of a teacher. We are here to make your umpiring experience in 2012 as awesome as it can be.
